

CARE FROM YOUR COUCH

MeMD makes it simple to request an exam with a medical provider 24/7.

HOW IT WORKS

1 SIGN IN TO MeMD

Register your MeMD account by visiting your MeMD website:

www.MeMD.me/feelbetter

Once you have registered your account, you can download and use the MeMD app:

Visit: www.MeMD.me/app-store

2 REQUEST AN EXAM

For non-emergency health issues, you can request an exam using your phone, tablet or computer.

3 SPEAK WITH A PROVIDER

Your MeMD Provider will review your chart, ask questions, and recommend a treatment plan.

When to use MeMD

Need expert care quickly for a minor illness or injury? With on-demand exams from MeMD, adults and children can be treated 24/7 for routine health issues like:

- Allergies, itchy eyes, pink eye
- Cold, flu, sore throats, sinus infections
- Nausea, vomiting, diarrhea
- UTIs, abdominal pain
- Skin infections, rashes
- Travel medications
- Short-term prescription refills
- General advice and consultation
