

# Wave goodbye to the waiting room.

With MeMD, available through Aflac, care is just a click away.

**Not feeling so great?** Avoid the waiting room, and get care right where you are — from your phone, app or online. Introducing MeMD™ telemedicine service.

It's natural during times like this for individuals to be wary of physically visiting a care facility, even if they need to consult with a medical professional. Telehealth services provide access to medical providers or licensed behavioral health specialists online for personalized treatment anytime, almost anywhere. MeMD has also made a resource widely available to provide **COVID-19 facts and tips to minimize workplace risks.**

With MeMD, you or your family members can connect to a board-certified, U.S.-licensed medical provider from almost any location. Day and night. Weekends and holidays. All using your phone or computer. You'll get a confidential diagnosis, along with a treatment plan and needed prescriptions for common medications.
