## Other Important Information about your Outpatient Prescription Drug Benefits

If you purchase a Prescription Drug Product from a Non-Network Pharmacy, you are responsible for any difference between what the Non-Network Pharmacy charges and the amount we would have paid for the same Prescription Drug Product dispensed by a Network Pharmacy.

You are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the retail Network Pharmacy's Usual and Customary Charge, or the lower of the applicable Co-payment and/or Co-insurance or the mail order Network Pharmacy's Prescription Drug Cost.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits. Supply limits apply to Specialty Prescription Drug Products whether obtained at a retail pharmacy or through a mail order pharmacy.

Some Prescription Drug Products or Pharmaceutical Products for which Benefits are described under the Prescription Drug Rider or Certificate are subject to step therapy requirements. This means that in order to receive Benefits for such Prescription Drug Products or Pharmaceutical Products you are required to use a different Prescription Drug Product(s) or Pharmaceutical Product(s) first.

Also note that some Prescription Drug Products require that you obtain prior authorization from us in advance to determine whether the Prescription Drug Product meets the definition of a Covered Health Service and is not Experimental, Investigational or Unproven.

If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you will be subject to the Non-Network Benefit for that Prescription Drug Product.

You may be required to fill an initial Prescription Drug Product order and obtain one refill through a retail pharmacy prior to using a mail order Network Pharmacy.

Georgia law allows you to request, without penalty and in a timely fashion, that we authorize payment for a Prescription Drug Product that is not covered on any tier of the PDL if: You had been taking the Prescription Drug Product prior to its exclusion from coverage and we determine, after consulting with your prescribing Physician, that the PDL's Therapeutically Equivalent drug has been ineffective in the treatment of the disease or condition; or the PDL's Therapeutically Equivalent drug causes or is reasonably expected to cause adverse or harmful reactions in the patient. If the request is denied, you have the right to appeal that decision. The process is described in your Certificate in Section 6: Questions, Complaints and Appeals. You may also call Customer Care at the telephone number on your ID card for assistance.

Benefits are available for refills of Prescription Drug Products only when dispensed as ordered by a duly licensed health care provider and only after 3/4 of the original Prescription Drug Product has been used.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy, you may opt-out of the Maintenance Medication Program each year through the Internet at [myuhc.com](http://myuhc.com) or by calling Customer Care at the telephone number on your ID card. If you choose to opt out of Mail Order Network Pharmacy but do not inform us, you will be subject to the non-Network Benefit for that Prescription Drug Product after the allowed number of fills at Retail Network Pharmacy.

Certain Preventive Care Medications maybe covered. Log on to [www.myuhc.com](http://www.myuhc.com) or call the Customer Care number on your ID card for more information.
