bswift

bswift Benefits Mobile App

With this free, secure bswift Benefits mobile application, employees can now quickly obtain accurate benefits information on-the-go:

—Insurance group and ID numbers
—Co-pay, co-insurance and deductible info
—Coverage effective dates
—Carrier contact info
—Links to important carrier websites
—Payroll deductions and contributions to benefits (Flexible Savings Accounts and Health Savings Accounts)
—And much more!

So now, when you're at the pharmacy – or the dentist's or doctor's office – trying to find your insurance ID number or to confirm the co-pay amount, just go to your bswift Benefits App for the answer!

Download the bswift Benefits app in the Apple or Google Play stores today.
Access the app using the link http://184.168.191.110/bswift-benefits/ or use the QR Scan below

Instructions:

1. Per the redirect page, you will need to enter *'your company name'* in the 'company ID' field upon first use of the application. The Company ID field is the name in the URL that comes before .bswift.com (abbrev name). *Example: btest's URL is btest.bswift.com. The Company ID is btest for the mobile app.* After that this value will be saved ongoing.

2. Enter your username and password, which is the same as the bswift website, to log-in.

3. Once you have logged in to the page, you will be taken to a page with your current benefits.

4. Clicking on a particular benefit plan type, you can drill down to your plan details

To learn more or answer any questions, please feel free to contact bswift at 1-877-9-BSWIFT or www.bswift.com.
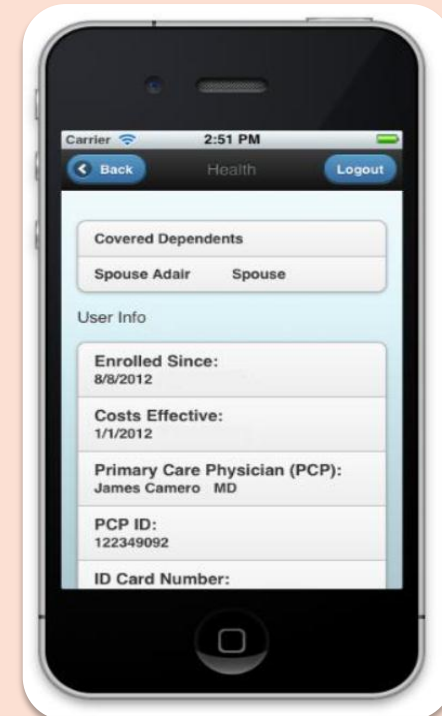

bswift
