

Get lifetime coverage and useful cash benefits, too.

Whole Life Insurance provides much more than a death benefit — it also offers valuable “living benefits” that you can use during times of need. And you can keep your Whole Life coverage after you retire, making it an essential complement to Term Life.

Whole Life provides a lifetime of coverage.

Whole Life: Benefits for a lifetime

What is Whole Life?

- Whole Life offers “living benefits” you can use when you need them, as well as a death benefit.

What features are available?

- **Cash value.** This policy accumulates cash value.* You can borrow funds from this value as needed.
- **Living benefit option rider.** If you are diagnosed with a terminal illness, you can request up to 100% of your policy’s benefit amount and use it for any purpose.**
- **It includes a Long Term Care rider†** — See your plan administrator for more information.

How does it work?

- **Your premiums are level for life.** Premiums will be conveniently deducted from your paycheck.
- **Your death benefit is level, too.** The benefit does not decrease with age.
- **You own the policy.**†† You can keep the policy if you leave or retire. You’ll pay the same premium.

Three reasons to buy Whole Life at work — now!

- 1 **Whole Life rates.** The rates available through your employer are typically more affordable than those available elsewhere.
- 2 **Age-based premiums.** Premiums are based on your age when you purchase, and don’t increase as you get older. So the earlier you buy, the lower your premium will be for the life of your policy.
- 3 **Guaranteed issue.** Generally available during the initial enrollment at your workplace. When it’s offered to you, you can purchase coverage up to a set amount, without medical exams or health questions. If you don’t purchase the maximum amount, you have the option to increase it up to that level during future enrollments — no questions asked!#

Premium payment options

You may have two options for paying premiums:

- **“Lifetime premium.”** Coverage continues as long as you pay your premiums.
- **“Paid-up at 70.”** Available when purchased between the ages 15 and 50. Adjusts the premium so that the policy is fully paid up when you turn 70.
