My Prescriptions

CVS Caremark is here to help you get the prescriptions you need, where and when you need them.

Our convenient online service makes it easy to keep track of your prescription medications and costs.

Prescription Actions

- [Refill Prescriptions](#)
Go here to refill all your qualified prescriptions.
- [Request a New Prescription](#)
Need a new prescription? We will contact your doctor and request it for you.
- [Manage Automatic Refills and Renewals](#)
Enroll your qualified prescriptions in this service and CVS Caremark will refill and/or renew them for you.
- [Transfer a Prescription](#)
It's easy to transfer prescriptions from another pharmacy to CVS Caremark. Just add your prescriptions to your cart and select how you want to receive them.
- [View Rx History](#)
Read information about past prescriptions and print copies for your records.
- [View Mail Service Order Status](#)
Go here to track shipments and see the status of your recent mail service orders.

Delivery Options

- [Start Mail Service](#)
- [Learn About Pharmacy Service](#)
- [Pharmacy Locator](#)

New prescription? Make sure it's covered under your plan.
If a prescribed medication is available over the counter, it is not covered and must be obtained at a pharmacy or drugstore. To check the coverage rules for a prescribed medication, [consult our drug coverage tool](#).
