Dear :

We have been notified that your payroll deductions have been discontinued for the above certificate/policy. Your plan does allow you to continue your coverage on your own; therefore, we have changed our records to bill you directly so you will not lose this valuable coverage. Your certificate/policy has been placed on direct bill quarterly.

If you would like to continue this valuable coverage, please send your payment and coupon within 31 business days from the date of this letter in the envelope provided.

If the billing option we selected does not meet your needs, you may choose from one of the additional billing options: Annual Direct Bill, Semi-Annual Direct Bill or Monthly Bank Draft. Please contact one of our representatives to change your billing option. Your new billing option will go into effect after we receive your initial payment.

We appreciate the opportunity to assist you with your insurance needs. Please feel free to contact us during normal business hours at our toll free number listed above to speak to one of our representatives. They will be glad to answer any questions you may have. A981
