

ShawHankins

Right Partner. Right Benefits.

Welcome to Savannah Chatham County Public School System. ShawHankins is a full service employee benefits firm. We have partnered with your HR Department to develop and administer the ancillary benefit plans. Our firm is here to assist you in understanding your benefits, assisting with enrollment and resolving any claims issues.

ShawHankins provides the SCCPSS Benefit Resource Center website which gives you access to all the plan details you need to make decisions on your new hire benefit elections. In addition to your non-medical coverages, the Benefit Resource Center also contains information on the State Health Benefit Plan and your TRS retirement plans. For easy access we have included links to the SHBP portal and the voluntary benefit enrollment portal, bswift, on the new hire page.

Please review your options carefully, as any elections you make now will be locked in through the end of the 2016 plan year. The only opportunity you will have to make changes until then is if you experience a qualifying life event. Examples of qualifying life events include marriage, divorce, death, birth, adoption, change in dependent eligibility status, or a change in work status that affects benefits eligibility. Please notify your benefits department within 31 days of experiencing one of these events, in order to make changes to your coverage.

We would like to remind the new hires that did not transfer from another school district to go online to complete your SHBP elections. Remember, you may access the SHBP portal and the ShawHankins bswift portal through the new hire page on this website.

Please contact our ShawHankins call center with questions on any of your benefit options, at 1-844-550-9717 or customerservice@shawhankins.com. Our call center is available from 8:30 am to 5:00 p.m.

Thank you for taking the time to learn about your new hire benefit options and we look forward to continuing our partnership with Savannah Chatham County Public School System.

Regards,
