**SHORT TERM DISABILITY\***

The Short-Term Disability Insurance replaces a portion of your income if an injury or illness forces you out of work for an extended period of time. The Savannah-Chatham County School System offers a flexible Short-Term Disability plan that allows you to now choose between low, mid, and high plan options including three salary replacement percentage levels and several waiting period options to better fit your specific needs.

You will continue to have the option of covering either 40, 50 or 60% of your salary with either a 14 day, 30 day or 60 day waiting period. The waiting period is the number of days you must be out on disability before your benefits begin paying. **Any sick days you use while out will offset the amount of disability you receive.**

The maximum weekly benefit for all options is \$1,500. The short-term disability policy will pay for up to 24 weeks of a qualified disability for plans with the 14 day elimination period, 22 weeks for the 30 day waiting period and up to 18 weeks for plans with the 60 day waiting period .

## Flexible Spending Account – TASC

TASC is the administrator of the Flexible Spending Accounts (FSAs). FSAs enable you to put aside money for important expenses and help you reduce your income taxes at the same time. Savannah-Chatham County Public School System offers two types of Flexible Spending Accounts — a Health Care Flexible Spending Account and a Dependent Care Flexible Spending Account. These accounts allow you to set aside pre-tax dollars to pay for certain out-of-pocket health care or dependent care expenses.

### HOW FSAs WORK

- Each year during the open enrollment period, you decide how much to set aside for health care and/or dependent care expenses.
- Your contributions are deducted from your paycheck on a before-tax basis in equal installments throughout the calendar year. Elected funds are available as of January 1, 2022, for the Health Care FSA. Elected funds for the Dependent Care FSA are available as they are deposited from your paycheck.
- As you incur health care or dependent care expenses throughout the year, submit a claim form for reimbursement. Your claim will be processed, and you will be reimbursed from your account. Or use your FSA card to pay for eligible expenses at the point of sale. You will not be paying out of pocket, so there's no need to fill out a claim form and wait for reimbursement.

Please note that the Health Care and Dependent Care accounts are separate — you may choose to participate in one, both, or neither. You cannot use money from the Health Care FSA to cover expenses eligible under the Dependent Care FSA or vice versa .

For more information on FSAs, you can call TASC at **1-800-422-4661**

or visit their website at:

<https://www.tasconline.com> **However, to elect the benefit you have to do so through the bswift portal.**

### FSA PLAN DETAILS

FSA Plan Type	Annual Maximum Contribution	Examples of Covered Expenses
Health Care Flexible Spending Account	\$2,750 (for you and your family)	Employee and dependent copays, deductibles, orthodontia, prescription medications, etc.*
Dependent Care Flexible Spending Account	\$5,000 (\$2,500 if married and filing separate tax returns)	Day care, nursery school, elder care expenses, etc.*

*\* See IRS Publications 502 and 503 for a complete list of covered expenses.*

**Remember to calculate your expenses conservatively when making your FSA elections. You may roll over up to \$550 of unused funds at the end of the plan year. You must actively elect to re-enroll in the FSAs each year.**

**BASIC LIFE INSURANCE**

MetLife is the vendor for Basic Life and Voluntary Life Insurance options! Your family depends on your income for a comfortable lifestyle and for the resources necessary to make their dreams – such as a college education – a reality. Like anyone, you don’t like to think of the scenario where you’re no longer there for your family. However, you do need to ensure their lives and dreams can continue if the worst does happen.

**BASIC TERM LIFE INSURANCE**

Savannah-Chatham County Public School System provides all eligible employees with Basic Life & AD&D Insurance in the amount of **\$20,000** at no cost as well as \$5,000 for your spouse and each eligible child. Enrollment is automatic; however, you must provide beneficiary information.

**SUPPLEMENTAL LIFE AND ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE**

*Premiums Vary by Age*

You may also choose to purchase supplemental life insurance for yourself in addition to the District-paid Basic Life benefit. You pay the total cost of this benefit through convenient payroll deductions. Coverage is available in \$10,000 increments up to a maximum of \$500,000 or 10 times your basic annual salary (whichever is less), with an initial Guaranteed Issue amount of up to the lesser of 10 times your basic annual earnings (rounded down to the next lower \$10,000 increment) up to \$350,000 without medical questions. Amounts over \$350,000 require evidence of insurability (EOI).

Each year at open enrollment, you are able to increase your life insurance election up to one times (1X) your annual salary up to the guarantee-issue amount of \$350,000. Note: Salary amount is rounded down to the nearest \$10,000 increment.

For example, if your basic earnings are \$36,000, you can purchase an additional \$30,000 each year in coverage with guaranteed issue.
