CERTIFICATE GENERAL PROVISIONS

Conformity With State or Federal Statutes: If any provision of the Certificate conflicts with any applicable law, the provision will be deemed to conform to the minimum requirements of the law.

Discretionary Authority: When making a benefit determination under the Policy, We have the sole discretionary authority to determine the Covered Person's or Dependent's eligibility, if applicable, for benefits and to interpret the terms, conditions, limitations, and exclusions, and all other provisions of the Policy including the Certificate of Coverage and any riders or amendments. We may delegate this discretionary authority to other entities or persons who provide services in regard to the administration of the Policy. This provision applies, however, only where the interpretation of the Policy is governed by the Employee Retirement Income Security Act (ERISA). This provision does not prevent the bringing of a legal action under the time limit for Legal Action provision, nor does it serve to deprive any insurance department of its statutory rights and obligations.

Fraud: We will focus on all means necessary to support fraud detection, investigation, and prosecution. It may be a crime if the Covered Person or the Employer knowingly, and with intent to injure, defraud or deceive Us, files a claim containing any false, incomplete, or misleading information. These actions, as well as submission of false information, will result in denial of the Covered Person's claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. We will pursue all appropriate legal remedies in the event of insurance fraud.

Incontestability: We may not contest the validity of the Policy, except for the non-payment of premiums or fraudulent misrepresentations, after it has been in force for two years from its date of issue. No statement made by any Covered Person relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two years during such person's lifetime, nor unless it is contained in a written instrument signed by him.

Information To Be Furnished: The Enrolling Group may be required to furnish any information needed to administer the Policy. Clerical error by the Enrolling Group will not:

1. affect the amount of insurance which would otherwise be in effect; or
2. continue insurance which otherwise would be terminated; or
3. result in the payment of benefits not otherwise payable.

Once an error is discovered, an equitable adjustment in premium will be made. If the premium adjustment involves the return of unearned premium, the amount of the return will be limited to the 12-month period, which precedes the date We receive proof such an adjustment should be made. We may inspect any of the Enrolling Group's records which relate to the Policy.

Misstatement of Age: If a Covered Person's age has been misstated, premiums will be subject to an equitable adjustment. If the amount of the benefit depends upon age, then the benefit will be that which would have been payable, based upon the person's correct age.

Payment of Premiums: No insurance provided by the Policy will be in effect until the first premium for such insurance is paid. For insurance to remain in effect, each subsequent premium must be paid on or before its due date. The Enrolling Group is responsible for paying all premiums as they become due. Premiums are payable on or before their due dates at Our Home Office. A Grace Period of 31 days from the Premium Due Date will be allowed for the payment of each premium after the first premium payment. During the Grace Period, the insurance will remain in effect provided the premium is paid before the end of the Grace Period. Payment of Premium for a period before it is due will not guarantee that the insurance will remain in effect for that period.

CERTIFICATE GENERAL PROVISIONS (continued)

Premium Rate Change: We have the right to change premium rates as of any Premium Due Date but not more than once in any 12-month period.. We will notify the Enrolling Group in writing at least 31 days prior to the change in rates.

The premium rate may change prior to this time however, for reasons that affect the insured risk, which include:

1. a change occurs in benefits;
2. a division, subsidiary, or affiliated company is added or deleted;
3. the number of Employees insured changes by 10% or more;
4. a new Law or a change in any existing Law is enacted which applies to the Policy.

A change may take effect on an earlier date if both the Enrolling Group and We agree to it. Except in the case of fraud, premium adjustments, refunds or charges will be made for only the current Policy year.

Termination of an Enrolling Group's Insurance: Insurance under the Policy will terminate on the earliest of the following dates:

1. on the Premium Due Date of any premium which remains unpaid at the end of the Grace Period.
2. the date the Enrolling Group terminates its participation under the Policy. The Enrolling Group must give 31 days advance written notice to Us.
3. the date on which the Enrolling Group fails to comply with or intentionally makes material misrepresentation relating to the Policy.

We reserve the right to terminate insurance under the Policy on the date that the number of Covered Persons insured under the Enrolling Group decreases to less than:

1. 75% of all eligible Employees of an Enrolling Group, if the Enrolling Group contributes partially towards the cost of insurance;
2. 100% of all eligible Employees of an Enrolling Group, if the Enrolling Group contributes in whole towards the cost of insurance; or
3. 10 Covered Persons.

Records: The Enrolling Group must furnish all information required by Us to:

2. maintain necessary administrative records.

Records of the Enrolling Group, which have a bearing on insurance, will be available for inspection by Us at any reasonable time.

COVERED PERSON ELIGIBILITY, EFFECTIVE DATE AND TERMINATION PROVISIONS

Covered Person's Eligibility: Employees who work on a full-time basis for a Enrolling Group are eligible for insurance after completion of the required Employee Waiting Period, provided they are in a class of Employees who are included. Employees will be considered to work on a full-time basis if they customarily work at least the number of hours per week shown in the Schedule of Benefits.

An Employee will become eligible for insurance on the latest of the following dates:

1. the Effective Date of the Policy;
2. the Effective Date of the Enrolling Group;
3. the end of the Employee Waiting Period shown in the Schedule of Benefits;
4. the date the Policy is changed to include the Employee's class; or
5. the date the Employee enters a class eligible for insurance.

Effective Date of Covered Person Insurance: If an Employee is not Actively at Work on the date his insurance is scheduled to take effect, it will take effect on the day after the date he returns to Active Work. If the Employee's insurance is scheduled to take effect on a non-working day, his Active Work status will be based on the last working day before the scheduled Effective Date of his insurance.

An Employee must use forms provided by Us when applying for insurance.

The Employee's insurance will be effective at 12:01 A.M. Eastern Standard time as follows:

1. if it is Non-contributory, on the date the Employee becomes eligible for insurance, regardless of when he applies, or
2. if it is Contributory, and the Employee makes application within 31 days after the date he first became eligible, on the later of:
 - a. the date the Employee is eligible for insurance, regardless of when he applies; or
 - b. the date the Employee's application is approved by Us if evidence of insurability is required.

Evidence of insurability is required if an Employee applying for Contributory Insurance:

1. does not apply for insurance within 31 days after the date he first became eligible; or
2. he has previously terminated his insurance while in an eligible class.

Effective Date of Change in Amount of Insurance: If there is an increase in the amount of the Covered Person's insurance, the increase will take effect on:

1. the policy anniversary date on or next following the date of the increase, if the Covered Person is Actively at Work on the date of increase;
2. the date the Covered Person returns to Active Work if the Covered Person is not Actively at Work on the policy anniversary date on or next following the date of the increase;
3. the policy anniversary date on or next following the date of the increase, if the policy anniversary date is a non-working day and the Covered Person was Actively at Work on his last scheduled working day before the non-working day;
4. the policy anniversary date on or next following the date of the increase if the Covered Person is on an approved layoff or leave of absence, for reasons other than a Sickness or Injury.

If evidence of insurability is required, the increase will take effect on the later of the dates indicated above or the date We approve his application.

Neither an increase nor a decrease in insurance will affect a Payable Claim that occurs prior to the increase or decrease.

COVERED PERSON ELIGIBILITY, EFFECTIVE DATE AND TERMINATION PROVISIONS (continued)

A decrease in the amount of the Covered Person's insurance will take effect on the policy anniversary date on or next following the date of the decrease.

Family and Medical Leave of Absence: If the Covered Person is on a Family or Medical Leave of Absence, his insurance will be governed by his Employer's policy on Family and Medical Leaves of Absence.

We will continue the Covered Person's insurance if the cost of his insurance continues to be paid and his Leave of Absence is approved in advance and in writing by his Employer.

The Covered Person's insurance will continue for up to the greater of:

1. the leave period required by the Federal Family and Medical Leave Act of 1993; or
2. the leave period required by applicable state law.

While the Covered Person is on a Family or Medical Leave of Absence, We will use earnings from his Employer just prior to the date his Leave of Absence started to determine Our payments to him.

If the Covered Person's insurance does not continue during a Family or Medical Leave of Absence, then when he returns to Active Work:

1. he will not have to meet a new Employee Waiting Period including a Waiting Period for insurance of a Pre-Existing Condition, if applicable; and
2. he will not have to give Us evidence of insurability to reinstate the insurance he had in effect before his Leave of Absence began.

However, time spent on a Leave of Absence, without insurance, does not count toward satisfying his Employee Waiting Period.

Termination of Covered Person Insurance: The Covered Person's insurance will terminate at 12:00 midnight Eastern Standard time on the earliest of the following dates:

1. the last day of the period for which a premium payment is made, if the next payment is not made;

LIFE INSURANCE BENEFIT FOR COVERED PERSON

Death Benefits: We will pay the Covered Person's beneficiary the amount of insurance in force on the date of death when We receive satisfactory proof of a Covered Person's death. The benefit will be paid in accordance with the beneficiary section.

Assignment: Life insurance as provided by the Policy may be assigned as an absolute assignment only. In making an assignment, the Covered Person must transfer all his present and future ownership rights to the person to whom he assigned the insurance. This includes the right to change the beneficiary and to convert the insurance. The Covered Person may not make a collateral or partial assignment of his insurance.

Beneficiary: The Covered Person's beneficiary will be the person(s) he names in writing to receive any amount of insurance payable due to his death.

The Covered Person may name or change a beneficiary by giving Us written notice at Our Home Office on a form acceptable to Us. When We receive the notice, it will be effective on the date made, subject to any payment We may have made before We receive it.

If the Covered Person names more than one beneficiary, those who survive will share equally unless the Covered Person specifies otherwise. If there is no named beneficiary living at the time of the Covered Person's death, We will pay any amount due in the following order:

1. to his legal Spouse; or
2. to his natural or legally adopted children in equal shares; or
3. to his estate.

Notice of Claim: Written notice of a claim for death must be given to Us at Our Home Office by the Covered Person's beneficiary within 30 days of the date of death. If it is not possible, written notice must be given as soon as it is reasonably possible to do so.

The claim form is available from the Covered Person's Employer, or can be requested from Us. If the form is not received from Us within 15 days of a request, written proof of claim should be sent to Us without waiting for the form. Written proof must show the cause of death. Also, a certified copy of the death certificate must be given to Us.

Proof of Claim: Written proof of claim must be filed within 90 days of the loss. However, if it is not possible to give proof within 90 days, it must be given no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

Payment of Claim: Payment of Claim for loss of life will be paid in accordance with the beneficiary section. All other benefits under the Policy are paid to the Covered Person.

If the Covered Person has chosen an option, no one may change it unless the Covered Person consents in writing. The Covered Person's beneficiary may choose an option within 60 days after death if one has not been chosen.

Legal Action: The Covered Person may not bring suit to recover under this section until 60 days after he has given Us written proof of loss. No suit may be brought more than three years after the date the proof of loss is required to be filed.

Physical Examination and Autopsy: We have the right to have a Physician of Our choice examine the Covered Person as often as necessary while the claim is pending. We may also have an autopsy made in case of death, unless not allowed by law. We will pay the cost of the exam and autopsy.

Settlement Options: Instead of a single payment, the Covered Person may choose to have all or part of the insurance paid under one of the settlement options We have available. We will give the Covered Person full information about the options upon request.

LIFE INSURANCE BENEFIT FOR COVERED PERSON (continued)

Conversion Privilege: The Covered Person may convert:

1. all or part of his Life Insurance to an individual policy of life insurance, other than term insurance, if his insurance terminated because he ceases to be a member of a class eligible for insurance;
2. the amount of insurance to an individual policy of life insurance, other than term insurance, that is lost due to a reduction of insurance because of age;
3. a limited amount of insurance to an individual policy of life insurance, other than term insurance, if he has been continuously insured under the Policy (or the policy it replaced) for five years and the insurance terminated due to termination or amendment of the Policy. The amount the Covered Person may convert in this case is the smaller of the following:
 - a. the amount of Life Insurance which terminates, less the amount he became eligible for under any Policy within 31 days after this insurance terminated; or
 - b. \$10,000.

The Covered Person may convert to any policy, other than term insurance, We are issuing for the purpose of conversions. The conversion policy will not have disability or other supplementary benefits. No evidence of insurability will be required. The Covered Person must submit a written application and the first premium payment for the conversion policy to Our Home Office within 31 days after his insurance terminates. It is the Covered Person's responsibility to pay the premiums for the conversion policy. The premium will be based on the amount and the form of the conversion policy, and on his class of risk and age on the date the conversion takes effect.

If the Covered Person dies within the 31 days allowed for making application to convert, We will pay the amount he was entitled to convert. We will do this whether or not application was made.

A conversion policy is in lieu of benefits under this section of the Policy. However, if the Covered Person is qualified for the Waiver of Premium-Total Disability provision, the converted policy will be cancelled. Premiums paid for the converted policy will be returned.

The conversion policy will take effect on the later of:

1. its date of issue; or
2. 31 days after the date this insurance terminates.

The insurance under the Policy may be reinstated within one year after termination of employment, if the Covered Person has converted and he:

1. gives Us proof that he was Totally Disabled when his insurance terminated and that his insurance would have continued in force under the Waiver of Premium-Totally Disabled provision if he had not converted; and
2. surrenders the conversion policy to Us without claim in return for premiums paid less any unpaid policy loans.

Employees rehired after converting insurance must either lapse that insurance or provide evidence of insurability to keep that individual policy.

Supplemental Life Limitations: No benefit will be paid for any loss caused directly or indirectly from:

1. suicide occurring within 24 months after the Covered Person's initial Effective Date of insurance; or
2. suicide occurring within 24 months after the Effective Date of any increase or additional insurance. This limitation applies only to the increased or additional amount of insurance.

WAIVER OF PREMIUM – TOTAL DISABILITY FOR COVERED PERSON

We will continue the Covered Person's Supplemental Life Insurance in force without premium payment while he remains Totally Disabled if he:

1. becomes Totally Disabled before age 60;
2. remains Totally Disabled continuously for at least nine consecutive months;
3. gives Us proof of Total Disability, as required.

We will waive the Covered Person's premium payment on a monthly basis, beginning the first day of the month after the month he became Totally Disabled. We will refund any premium paid for the Supplemental Life Insurance after that day. We will not refund premiums for any period more than 12 months before the date proof of disability was furnished. This Waiver of Premium will continue to be effective even if the Policy terminates after the Covered Person becomes Totally Disabled.

Amount of Life Insurance Under the Total Disability Benefit: The amount of insurance continued would be the amount in force on the date the Covered Person became Totally Disabled. This amount will be reduced or terminated, based on the Schedule of Benefits in effect on the date of Total Disability. This amount will not be increased while the Covered Person remains Totally Disabled. All other Benefits will be terminated.

Death While Totally Disabled: If the Covered Person dies while his Supplemental Life Insurance is being continued under Waiver of Premium, We will pay the amount of insurance if We receive proof:

1. of the Covered Person's death; and
2. that Total Disability was continuous from the date it began to the date of death.

Proof of Total Disability: We will provide forms which the Covered Person must use when giving Us proof of Total Disability. The Covered Person must give Us proof no later than 12 months after the date he became Totally Disabled. We may at any time require proof that Total Disability continues. The Covered Person must give Us proof within 60 days after Our request. After the Covered Person has been Totally Disabled for more than two years from the date of Total Disability, We will not request proof any more than once a year. We may require the Covered Person to be examined, at Our expense, by a Physician of Our choice.

Total Disability or Totally Disabled: For purposes of this section, the Covered Person will be considered Totally Disabled if he is unable to perform each and every duty of his occupation at his usual place of employment and he is unable to do the material and substantial duties of any job suited to his education, training or experience.

We may require the Covered Person to be examined by a Physician, other medical practitioner or vocational expert of Our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so.

WAIVER OF PREMIUM – TOTAL DISABILITY FOR COVERED PERSON (continued)

Termination of the Total Disability Benefit: The Covered Person will no longer be eligible for the Total Disability Benefit and his Basic and Supplemental Life Insurance will terminate on the earlier of the following dates:

1. the date the Covered Person ceases to be Totally Disabled. However, if he is still eligible for Supplemental Life Insurance when he returns to Active Work, his Supplemental Life Insurance may be continued in force if premium payments are resumed. If this is done, any increased amount of Supplemental Life Insurance he may then be eligible for will take effect as described in the Effective Date of insurance provision; or
2. the last day of the 60-day period following Our request for proof of Total Disability, if he does not give Us proof or refuses to take a medical exam;
3. the date the Covered Person reaches age 65;
4. the date premium has been waived for 12 months and the Covered Person is considered to reside outside the United States. The Covered Person is considered to reside outside the United States when he has been outside the United States for a total period of 6 months or more during any 12 consecutive months for which premium has been waived.

If the Covered Person's Total Disability ends and he does not return to Active Work, then the Covered Person may exercise the Conversion Privilege.

ACCELERATED DEATH BENEFIT FOR COVERED PERSON

The Accelerated Death Benefit payment may be taxable to the Covered Person. The Covered Person should seek assistance from his personal tax advisor regarding taxes the Covered Person may have to pay as the result of claiming Accelerated Death Benefits.

If while insured under the Policy, the Covered Person becomes terminally ill (called the "qualifying event") with a life expectancy of less than 12 months and the Covered Person has met all of the conditions set forth below, We will pay the Covered Person the amount of insurance shown in the Schedule of Benefits.

The Covered Person may elect to receive an Accelerated Death Benefit amount that is stated on the Schedule of Benefits. However, an Accelerated Death Benefit payment against the Covered Person's Life Insurance Benefit can only be made once in the Covered Person's lifetime.

The Life Insurance Benefit amount will be reduced by the amount paid under this provision.

The Covered Person must submit written medical evidence signed by the treating Physician and acceptable to Us that he is:

1. under a Physician's care for that condition, and
2. has a life expectancy of less than 12 months.

The Accelerated Death Benefit amount will be paid to the Covered Person after the Covered Person meets all of the conditions listed above.

We reserve the right to ask for a medical exam in connection with a claim.

The Covered Person must continue to pay any applicable premium for the amount of Life Insurance Benefits remaining after the reduction.

Upon the Covered Person's death, the amount of Life Insurance Benefits paid to the Covered Person's beneficiary will be reduced by the amount already paid under this provision.

Limitations: Accelerated Death Benefits will not be payable if:

1. the Covered Person has assigned his Life Insurance Benefits; or
2. We have been notified that all or a portion of the Life Insurance Benefits are to be paid to the Covered Person's former Spouse as part of a divorce agreement; or
3. the Covered Person is required by law to accelerate benefits in order to meet the claims of creditor(s); or
4. the Covered Person is required by a government agency to accelerate benefits in order to qualify for a government benefit or entitlement.

The Accelerated Death Benefit is not available to Retired Covered Persons.

LIFE INSURANCE BENEFIT FOR DEPENDENTS

Death Benefits: We will pay the Life Insurance Benefit amount in force on a Dependent, if insured under this section of the Policy, when We receive proof of his death. The amount of insurance is shown in the Schedule of Benefits. Eligible Dependents are defined in the "General Definitions" section of the Policy.

Assignment: The Dependent Life Insurance Benefit provided by the Policy cannot be assigned.

Beneficiary: Benefits will be paid to:

1. the Covered Person, if living;
2. the legal Spouse of the Covered Person, if the Covered Person is not living; or
3. the estate of the Dependent, if the legal Spouse of the Covered Person is not living.

Notice of Claim: Written notice of a claim for death must be given to Us at Our Home Office by the Covered Person or his beneficiary within 30 days of the date of death. If it is not possible, written notice must be given as soon as it is reasonably possible to do so.

The claim form is available from the Covered Person's Employer, or can be requested from Us. If the form is not received from Us within 15 days of a request, written proof of claim should be sent to Us without waiting for the form. Written proof must show the cause of death. Also, a certified copy of the death certificate must be given to Us.

Proof of Claim: Written proof of claim must be filed within 90 days of the loss. However, if it is not possible to give proof within 90 days, it must be given no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

Payment of Claim: Payment of Claim for loss of life will be paid in accordance with the beneficiary section. All other benefits under the Policy are paid to the Covered Person.

If the Covered Person has chosen an option, no one may change it unless the Covered Person consents in writing. The Covered Person's beneficiary may choose an option within 60 days after death if one has not been chosen.

Legal Action: The insured Dependent may not bring suit to recover under this section until 60 days after he has given Us written proof of loss. No suit may be brought more than three years after the date the proof of loss is required to be filed.

Physical Examination and Autopsy: We have the right to have a Physician of Our choice examine the insured Dependent, as often as necessary while the claim is pending. We may also have an autopsy made in case of death, unless not allowed by law. We will pay the cost of the exam and autopsy.

Conversion: A Dependent may convert all or part of his Life Insurance to an individual life policy, other than term insurance, if his insurance terminates because:

1. the Covered Person ceases to be a member of a class eligible for Life Insurance;
2. the Covered Person's legal Spouse lost insurance due to a reduction of insurance because of age;
3. the Covered Person is Totally Disabled or dies; or
4. the Dependent is no longer eligible for Dependent Life Insurance. A Dependent may convert a limited amount of insurance to an individual life policy, other than term insurance, if he was continuously insured under the Policy (or the policy it replaced) for five years if his insurance terminated due to the Policy being terminated or amended.

LIFE INSURANCE BENEFIT FOR DEPENDENTS (continued)

The amount the Dependent may convert in this case is the smaller of the following:

1. the Life Insurance Benefit amount which terminates less the amount he may become eligible for under any group within 31 days after this insurance terminated; or
2. \$10,000.

The Dependent may convert to any policy We are using for the purpose of conversions. The conversion policy will not have disability or other supplemental benefits. No evidence of insurability is required. The Dependent must submit a written application and the first premium to Our Home Office within 31 days after this insurance terminated. It is the Covered Person's responsibility to pay the premiums for the conversion policy. The premium will be based on the amount and form of the conversion policy, and on the Dependent's class of risk and age on the date the conversion takes effect.

If the Dependent dies within the 31 days allowed for making application to convert, We will pay the amount he was entitled to convert. We will do this whether or not application was made.

The conversion policy will take effect on the later of:

1. its date of issue; or
2. 31 days after the date this insurance terminated.
