

ACCOUNT ACCESS & MANAGEMENT

TASC offers secure and convenient access to your FlexSystem account(s) from your computer and/or mobile device. Learn more about how to utilize our MyTASC online portal and mobile app below.

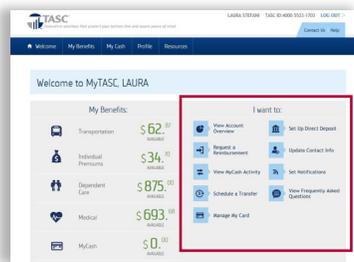

MyTASC Web Portal

Our secure web portal allows you to access your FlexSystem account and important Plan information anytime, 24/7/365. Simply follow the login steps below:

1. Go to <https://www.tasconline.com/> and find the MyTASC Secure Login box
2. Enter Username (your 12-digit TASC ID)
3. Enter Password
4. If you do not know your Username or Password, click "New User" and follow the steps.

Upon login, you can perform any of the following actions:

- View current balances and transactions for each FlexSystem account
- Request a Reimbursement; upload receipts
- Manage your TASC Card: transaction history, report lost/stolen card
- Manage MyCash account: view activity, schedule a MyCash transfer
- Set Notifications (text and email)
- Set-up Direct Deposit (MyCash deposit is the default option)
- Change your username/password
- Submit a Service Request (customer support)

MyTASC Mobile App

Easily access your FlexSystem account while on the go. View your account information and even submit a Request for Reimbursement by uploading receipts using the camera on your smart device. Visit the Apple App store or Android Marketplace to download the MyTASC app today for your Apple and Android devices. For more information on TASC Mobile, visit www.tasconline.com/mobile/.

You may also use **Text Messaging (SMS)** to request your current FSA balance: **Text "TASC BAL" to 41411**
