2022/2023 Benefits Enrollment Guide

Welcome to your new Employee Benefits Enrollment Guide. This guide is your summary of the benefit options that are available to eligible employees of the **Meriwether County Board of Commissioners**. Each benefit is designed to protect your health and well-being as well as provide valuable financial protection.

Each section of the Employee Benefits Enrollment Guide is structured to provide you with plan highlights as well as detailed, descriptive instructions to assist you in navigating through the web-based enrollment portal.

The Employee Benefits Enrollment Guide is an important component in the benefit communication process, and your dedicated NFP service team will be available during open enrollment and throughout the plan year for questions and concerns regarding your benefits.

Please review the plans contained in the Employee Benefits Enrollment Guide and see how these plans can work for you and your eligible dependents. Your participation in the plans is voluntary. The benefit plans have been chosen to provide a continuation of protection that complements the **Meriwether County** leave policies and retirement plans. **The plan year is in effect from July 1, 2022 to June 30, 2023.**

This Employee Benefits Enrollment Guide is intended for orientation purposes only. It is an abbreviated overview of the plan documents. Please refer to the Certificate Booklet (the contract) available from the plan carriers for complete details. Your Certificate Booklet will provide detailed information regarding copayments, coinsurance, deductibles, exclusions and other benefits. The certificate booklet will govern should a conflict arise relating to the information contained in this summary. This summary does not establish eligibility to participate in or receive benefits from any benefit plan.

NOTICE: If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see page 30 for more details.

Getting regular checkups and exams can help you stay well and catch problems early. It may even save your life.

Our health plans offer the services listed in this preventive care flier at no cost to you¹. When you get these services from doctors in your plan's network, you don't have to pay anything out of your own pocket. You may have to pay part of the costs if you use a doctor outside the network.

Preventive versus diagnostic care

What's the difference? Preventive care helps protect you from getting sick. Diagnostic care is used to find the cause of existing illnesses. For example, say your doctor suggests you have a colonoscopy because of your age when you have no symptoms. That's preventive care. On the other hand, say you have symptoms and your doctor suggests a colonoscopy to see what's causing them. That's diagnostic care.

You need to work with your in-network doctor or other health care provider to get a prescription for the item(s) and take the prescription to an in-network pharmacy. Even if the item(s) do not “need” a prescription to purchase them, if you want the item(s) covered at 100%, you have to have the prescription.

The Department of Health and Human Services has defined the preventive services to be covered under federal law with no cost share as those services described in the U.S. Preventive Services Task Force A and B recommendations, the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC), and certain guidelines for infants, children, adolescents and women supported by the Health Resources and Services Administration (HRSA) Guidelines. Health Reimbursement Arrangement

Meriwether County Board of Commissioners is actively participating in a Health Reimbursement Arrangement. You are ultimately responsible for your \$6,000 deductible, but through this program you will be reimbursed for the last \$4,500 incurred.

If you have services rendered that are subject to your deductible you can submit your Explanation of Benefits (EOB). **Remember, you can only be reimbursed based on EOBs, not bills from the provider.** Copays and coinsurance are not eligible for reimbursement.

This program runs calendar year, and all claims incurred during the 2022 plan year must be submitted to Medcom by March 31, 2023 to be eligible for reimbursement.

EOBs can be accessed by going to anthem.com and logging into your account. If you need assistance logging in, please call the NFP service center at 1-800-994-7429.

UHC Tier	UHC Deductible	EE Portion	HRA Portion
Employee	\$6,000	\$1,500	\$4,500
All Dependents	\$6,000	\$1,500	\$4,500

The Health Reimbursement will be administered by Medcom. To submit a DirectPay claim, log in to your account at www.medcombenefits.com.

Health Reimbursement Arrangement

How Does My HRA Work?

1. Submit **all of your claims** to the Employer-sponsored group health insurance company first.
2. The health insurance company will process your claim and send you an Explanation of Benefits ("EOB") statement.
3. After you receive the EOB and if it shows that your deductible expenses are more than the **"Your Out of Pocket"** amount in the HRA Coverage Chart below:
 - a. Login to your account online at <https://medcom.wealthcareportal.com> and navigate to the "Reimbursement Request" section of the "My Accounts" tab. Complete the steps and upload your EOB.
 - b. Or, submit a picture of your EOB via the Mobile App!
4. Medcom will send you a reimbursement check (or Direct Deposit!) up to the amount the **"HRA Pays"** for your **"Coverage Level"** during the **"Coverage Period."**

What is an HRA?

An HRA is a tax-free benefit that is funded 100% by your Employer to offset your out-of-pocket "Deductible" expenses that are not payable by any other source. HRA coverage applies to both you and your Eligible Dependents who are enrolled in the Employer-sponsored group health insurance plan. During each "Coverage Period" the HRA will reimburse eligible deductible-related expenses incurred by you and/or your covered Dependents. Please refer to the HRA Coverage Chart below for the maximum amount payable by the HRA during each Coverage Period.

Am I Eligible?

You are eligible and will be covered by the HRA if you are an active Full-Time Employee working 30 hours or more per week, and are enrolled in the Employer-sponsored group health insurance plan.

Covered Expenses

You may be reimbursed for expenses applied to your deductible by the Employer-sponsored group health insurance plan during each Coverage Period. You may be reimbursed up to the amount the **"HRA Pays"** after your deductible expenses exceed **"Your Out of Pocket"** responsibility. Unused HRA amounts do not carry-over. However, the maximum **"HRA Pays"** amount will be available for each new Coverage Period.

Dental

The Meriwether County Board of Commissioners Dental coverage will be moving to Anthem for the 2022/2023 plan year. Keep in mind that you will pay less if you use an in-network dentist. To locate participating providers log into your personal account at www.anthem.com, a one-time registration is required.

Benefit	In-Network	Out- of-Network
Annual Maximum	\$1,750 per person	\$1,750 per person

Lifetime Orthodontia Maximum	\$1,500	\$1,500

***Deductible does not apply to diagnostic/preventive or orthodontia services.**

In-Network: If an In-Network Dentist performs a covered service, benefit will be based on the discounted fees negotiated with the provider

Out-of-Network: If an Out-of-Network Dentist performs a covered service, benefit will be based on the usual and customary fees in the geographic areas in which the expenses are incurred.

Pretreatment: While we don't require a pretreatment authorization form for any procedure, we recommend them for any work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate. Your dentist will be informed of the exact amount your insurance will cover and the amount you will be responsible for.

Prescription Drug and Medicare Disclosure Notice

Important Notice from the Meriwether County BOC About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Meriwether County BOC and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The Meriwether County BOC has determined that the prescription drug coverage offered by the Anthem Blue Open Access OAP5 6000/0%/8150 AE plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered **Creditable Coverage**. Because your existing coverage is **Creditable Coverage**, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Meriwether County BOC coverage will not be affected.

If you drop your current prescription drug coverage and enroll in Medicare prescription drug coverage, you may enroll back into the Meriwether County BOC benefit plan during an open enrollment period under the Meriwether County BOC benefit plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the Meriwether County BOC and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Meriwether County BOC changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

Visit www.medicare.gov

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NOTICE OF YOUR HIPAA SPECIAL ENROLLMENT RIGHTS:

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards you or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contribution toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself or your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

SECTION 125 PRE-TAX BENEFIT AUTHORIZATION NOTICE:

Before-tax deductions will lower the amount of income reported to the federal government. This may result in slightly reduced Social Security benefits. If you do not enroll eligible dependents at this time, you may not enroll them until the next open enrollment period. You may not drop the coverage you elected until the next open enrollment period. You may only make a change or drop coverage elections before the next open enrollment period under the following circumstances:

A change in marital status, or

A change in the number of dependents due to birth, adoption, placement for adoption or death of a dependent, or

A change in employment status for myself or my spouse, or

Open enrollment elections for my spouse, or

A change in dependents eligibility, or

A change in residence or worksite.

Any change being made must be appropriate and consistent with the event and must be made within 30 days of when the event occurred. All changes are subject to approval by your Employer/Plan.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 ANNUAL NOTICE:

The Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breast, prostheses, and complications resulting from a mastectomy, including lymph edema.

NEWBORNS' ACT DISCLOSURE:

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96) hours.

NOTICE OF PRIVACY PRACTICES FOR PROTECTED HEALTH INFORMATION: This Notice describes how the Plan(s) may use and disclose your protected health information ("PHI") and how you can get access to your information. The privacy of your protected health information that is created, received, used or disclosed by the Plan(s) is protected by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). This Notice is available on the web at: www.meriwether.bswift.com. A paper copy is also available, free of charge, by calling your Employer or NFP at 800-994-7429. Please note the participant is responsible for providing a copy to their dependents covered under the group health plan."

GENERAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS: On April 7, 1986, a federal law was enacted (Public Law 99272, Title X) requiring that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called "continuation coverage") at group rates in certain instances where coverage under the plan would otherwise end. If you or your eligible dependents enroll in the group health benefits available through your Employer, you may have access to COBRA continuation coverage under certain circumstances. Therefore, your plan makes available to you and your dependents the General Notice Of COBRA Continuation Coverage Rights. This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. The full Notice is available on the web at: www.meriwether.bswift.com. A paper copy is also available, free of charge, by calling your Employer or NFP at 800-994-7429. Please note the participant is responsible for providing a copy to their spouse/dependents covered under the group health plan.

SUMMARY OF BENEFITS AND COVERAGE (SBC): As an employee, the group health (medical) benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC) which summarizes important information about any health coverage option in a standard format to help you compare across options. The SBC is available on the web at www.meriwether.bswift.com. A paper copy is also available, free of charge, by calling your Employer or NFP at 800-994-7429. Please note the participant is responsible for providing a copy to their dependents covered under the group health plan.

HEALTH INSURANCE MARKETPLACE NOTICE (a.k.a. Exchange Notice): When key parts of the health care law took effect in 2014, a new way to buy health insurance became available through the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, the Marketplace notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer. This notice is available on the web at www.meriwether.bswift.com. A paper copy is also available, free of charge, by calling your Employer.

CHIP Disclosure Notice

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877- KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact your State for more information on eligibility –

Why Should I Contact the NFP Service Center?

Order ID Cards: We can contact the insurance carrier directly and have your replacement card in ten to fifteen business days.

Claim Resolution and Research: We can help you understand your Explanation of Benefits (EOB) as well as contact the insurance carriers on your behalf. We can assist in appealing a denied claim or help you request a Prior Authorization (PA) from your physician as it may be required by your medical carrier. We can also help you file out-of-network claims and assist with reimbursement if you require medical assistance while traveling outside of the United States.

Locate In-Network Providers: Staying in network saves everyone money. Our Service Center can help you locate in-network providers for medical, dental and vision coverage whether you are at home or away.

Request Copies of Any Necessary Forms: Medical claim forms, out-of-network claim forms, evidence of insurability forms, short- and long-term disability claim forms and any other applicable forms are always available if the need should arise.

Understanding Your Benefits: We can assist you with questions regarding deductibles, copayments and coinsurance. We can explain waiting periods, elimination periods and eligibility rules.

Explain Qualifying Events: Most benefit plans require that you have a Qualifying Event (like marriage, birth of a child or other life event) to make a change in your election anytime other than during open enrollment. We work with your employer to ensure that your change follows the rules of the plan, that your request is allowed within the appropriate timeframes, and that you give proper documentation of the event.

Annual Enrollment Information: We can provide details about when open enrollment begins and ends and if your plan designs or payroll deductions are changing.

Enrollment Assistance: The Service Center representative can walk you through every step of the enrollment process. Whether it's an online enrollment or paper enrollment form, your Service Center Representative is available to help.

Confirmation Statements: We can provide copies of your online enrollment confirmation statement or a copy of your paper enrollment form at any time.

The Service Center is available from 8:30 a.m. to 5:00 p.m. Monday through Friday to assist you. We have an after-hours voice mailbox and your call will be returned the next business day.
