If you're feeling anxious or depressed, or having trouble coping with problems at home or at work, you can connect to a licensed therapist or board-certified psychologist or psychiatrist through a virtual care video visit.¹ Appointments can be scheduled within 1-2 weeks.² Psychiatrists are available to help you manage your medications.³ They do not provide counseling or talk therapy.

When it's time for your appointment, use your smartphone, tablet, or computer with a camera to meet securely through our **SydneySM Health** app or **anthem.com**.

In addition to using a telehealth service, you can receive in-person or virtual care from your own doctor or another healthcare provider in your plan's network. If you receive care from a doctor or healthcare provider not in your plan's network, your share of the costs may be higher. You may also receive a bill for any charges not covered by your health plan.
